"Alexa, close the garage."

beam was selected as an exclusive Amazon launch partner for the "Works With Alexa" Smart Home enhanced integration & automation program.

Sharing Access

The Smart Garage Door Controller shares access with **unlimited** users via the beam Home app. Let in friends & family even when you're not home.

Heavy-Duty Chain Drive

The Sentry's heavy-duty chain drive system was engineered with durability & reliability in mind – to open and close the heaviest of carriage house doors.

Real-Time Notifications

The **beam** Home app allows for real-time alerts & notifications. Whether you're at home or at work, auto-close reminders keep you secure.

Edge-to-Edge LED Lighting

The Sentry Smart Garage Door delivers integrated, edge-to-edge security lighting – blanketing your garage in 3000 lumens of LED illumination & visibility.

Motion Activated Security

The Sentry secures your garage with radar motion-sensors continuously scanning every corner of your garage. Any movement detected triggers the LED security lighting.
