FLEXLINE

Choose FLEXLINE when you need a modular solution with a more high-end, seamless appeal. Time-tested Corian® countertops further enhance the appearance and are less costly when compared to stone or Quartz. With a wide variety of decorative architectural and graphic front panels available, it's easy to choose the perfect look for your operation.

- Seamless built-in appearance with high-performing Corian® countertops
- Counters are built around a heavy duty, welded steel frame
- Standard features such as seamless toe kicks and lift-off front panels for easy waterfall Corian® edges, installation and service are available.
- Designed with under-mounted energy-efficient heating and cooling systems for a high-style appearance
- Available with load centers or daisy chain connections

The versatility will keep your operation current now and in the future.
