

An integrated network of companies concentrated on revitalization of real estate and creation of investment opportunities

Revitalizing Communities Since 1983

Wedgewood is a leading acquirer of distressed residential real estate. Founded in 1983, Wedgewood has grown into a diversified, vertically integrated company, expanding its business footprint to include residential rehabilitation, non-performing loans, property management, private lending, brokerage, escrow, and more.

CAREERS

Wedgewood Starts With “WE”

Although 30 years in the making, Wedgewood still operates with the enthusiasm of a startup, empowering its 500+ employees to constantly look for and develop opportunities in the real estate space.
