

Spaces to play. Sparks for change.

Help our work to ensure every kid can get the play they need to thrive, regardless of race, zip code and family income.

[Donate now](#)

Let's give every kid an incredible place to play

Over the last 23 years, we've built or improved 17,000+ playspaces, engaged more than 1.5 million community members and brought joy to over 10 million kids.

Your generous gift helps us continue our efforts to build collective action, spark hope and enable kids to reach their full potential. We promise that we won't stop until we put an end to playspace inequity. For good.

[Become a fundraiser](#)

Start a fundraiser today for you, for your family, for your company, or for a team to support KABOOM! and tell the world play matters! Our fundraising pages are quick to create, easy to personalize, and simple to share through social media and email.
