

ABOUT US

SafeWaters Underwriting Managers offers ground-breaking solutions, risk knowledge and entrepreneurial insights for the marine insurance industry. SafeWaters creates Marine Insurance solutions for today and tomorrow. Every product is backed by the skill and expertise of our superior underwriting and servicing capabilities.

We work with customers to minimize the chances of a loss. We collaborate directly with leading specialist agents and brokers in the marine market to bring together the most knowledgeable team to best service the customer. We get to know our clients' businesses well before they need to file a claim.
