Move

As you sit, you move; so Move was designed to adjust and conform to the natural movements of the body. Comfortable and versatile, this lightweight stackable chair offers seating solutions for a wide range of spaces in the workplace. With a choice of chair or a stool and a variety of features such as armrests, casters or glides, Move meets every workspace need. When everyone's gone, the Move chair conveniently stacks 5 high on the floor.

Features

- Stackable guest chair with a specially designed cushion seat
- Seat features an innovative foam core specifically formed to create a unique comfort pocket tailored to each individual
- Chair conveniently stacks 5-high on the floor when not in use
- Standard with plastic glides with steel inserts for strength
- Weight tested up to 300 lbs. with no loss of performance
