FUND SERVICES

Helping investment fund advisors and investors make informed decisions with the most comprehensive, transparent, up-to-date and correct fund information

LET'S GET STARTED

Experts with a passion for investment fund data

ISS Fund Services is comprised of FWW, the leading German fund data disseminator and fund data distributor. Through the operation and licensing of data from its investment fund database, FWW helps investment fund advisors and investors make thoughtful investment decisions through the provision of transparent, up-to-date and correct fund information across 1,500 data records on more than 33,000 investment fund share classes.
