WHY GLOBALPOST

GlobalPost offers a range of domestic and international shipping solutions, including the Global Advantage Program. By combining our world-class customer service, easy-to-use technology and seamless integrations with the world's top shipping platforms, we help e-commerce and warehouse sellers succeed domestically and around the world.

Cost Saving

We offer solutions that offset the enormous pressure to reduce parcel shipping budgets

Technology

Seamless integration with Stamps.com/Endicia and the world's top shipping platforms

Concierge Support

Free phone and email support, Monday through Friday, 6am-6pm Pacific Time

Experience

Our dedicated team has 25+ years of shipping industry experience and are experts in e-commerce, fulfillment, and marketing

Trust

GlobalPost is part of the Stamps.com family, the leading USPS shipping provider with over 700,000 customers

Knowledge

Our shipping experts provide free consultation that results in improved efficiency and lower rates

OUR SERVICES

INTERNATIONAL SHIPPING

Whether you ship one or thousands of international packages a day, GlobalPost has a solution to simplify your shipping operations so you can focus on growing your business globally. Take advantage of free coverage, an easy claims process, no hassle of printing customs forms and more.
