Space Raider To The Rescue

Space Raider is a sci-fi action adventure series created and produced entirely by LightUp as a vehicle to inspire kids, who are the heart of what we do! By following the exciting story of Asher Cain—who gives up everything he's ever known to throw off the forces of darkness and spread justice throughout the galaxy—kids will find encouragement in his slogan, "Everybody is important!" The LightUp Foundation is thrilled to be able to sponsor Space Raider viewing parties and Character visits to some of the orphanages and charities we support.
