y

Wifi Transmission: Enhanced connectivity to Action Genie APP, Smart Remote and more. (The Wifi connectivity allows real time video/image streaming to your Android or IOS device, wireless operation of the camera menu functions and more).

Buy Now

Wifi Directly to Your Devices

EZ Way to Video and Shoot Your Friends

Easily excess your camera without it ever being in your way.

Genie POV Mount

Our Point Of View Mount screws onto your wetsuit with plates on each side then secured tightly. The Genie camera then clips onto the outside plate. When not in use, just detach the camera and you still have the flat plates secured to your wetsuit. (which may not look good if you plan on wearing your wetsuit out to dinner).

[More Details](#)

No Case Needed!

Waterproof to 20'

German design waterproof shell.

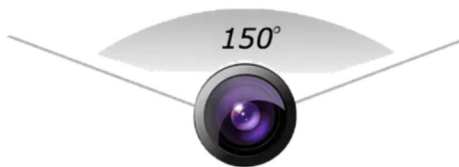

No more bulky case, no more giant protruding buttons.

This camera is waterproof without the need for any case down to 20 feet.

- **Waterproof**
- **Dust proof**
- **Mud proof**
- **Sand proof**

150 Degree Wide Angle

No Fisheye Distortion

When your surfing a good wave you want to make sure you're getting everything. With a 150 degrees of viewing power you will without any fisheye distortion.
