

TOTAL CLEARING

1 to 8 Min

TREAT + PREVENT / ACNE / BACTERIA

Use when there's a pimple coming, you have blackheads, and whiteheads, or all of the above. This unique treatment, which uses negative energy to kill positively-charged bacteria, will reduce and prevent breakouts. Can be used as a spot treatment or on the entire face. Use as needed. (Do not exceed more than 1X/24-hour period.) Rinse off gel after treatment
