TOTAL CLEARING

TREAT + PREVENT / ACNE / BACTERIA

Use when there's a pimple coming, you have blackheads, and whiteheads, or all of the above. This unique treatment, which uses negative energy to kill positively-charged bacteria, will reduce and prevent breakouts. Can be used as a spot treatment or on the entire face.

Use as needed. Do not exceed more than 1X/24-hour period.
Rinse off gel after treatment.
