

CONNECTING HEROES

Free unlimited service for first responder agencies.

With T-Mobile and Sprint joining forces, we can now deliver access to America's largest 5G network to first responder agencies when it's needed most. We're changing wireless—this is 5G for good.

[Contact us](#) [See eligibility](#)

For state & local fire, police, and EMS agencies' first responder lines; eligibility verified. Video typically streams on smartphones/tablets at DVD quality (480p). Coverage not available in some areas and may be impacted by emergencies; check your response area. Capable device required for 5G. [See full terms](#)

OVERVIEW

Our commitment
We're pledging \$7.7B over the next 10 years.

The criteria
To participate, first responder agencies must meet certain criteria.

Our network and coverage
Combined networks keep first responders connected when it matters most.

OUR COMMITMENT

We're pledging \$7.7B over the next 10 years.

We know first responder agencies face tough budget decisions, but they shouldn't have to decide between critical equipment and wireless services. Connecting Heroes can help.

5G for good.

FREE unlimited talk, text, and data.

Remain at the highest priority.

Keeping our first responder agencies connected.

We're providing first responder agencies with the FREE nationwide 5G access they need, helping these frontline heroes at the most critical times.
