

CLEANROOM SUPPLIES

Products / Cleanroom Supplies

Acute Care Pharmaceuticals
Pharma-Plus Wipes™

Pharma-Plus Wipes™ are a low-endotoxin, ISO Class 5, non-sterile, non-woven, 45% polyester / 55% cellulose blend wiper. The combination of polyester and cellulose provides excellent durability, absorption and cleanliness in one all purpose non-shedding, low-particulate wiper. An economical all-purpose wiper which can be used throughout your cleanroom area for cleaning, disinfecting, spill control and wipe down of products. Pharma-Plus Wipes™ are also available in a pre-saturated option.
