Jason Markk Repel creates a durable, breathable barrier that effectively repels liquids and stains. It's water-based formula is safe to use on all materials like suede, nubuck, leather, nylon, canvas and more. Totally redesigned to deliver a "better-than-aerosol" spray quality. Engineered with multi-patented technologies, a fine mist combined with a continuous spray functionality covers large areas quickly and evenly in all directions. With the smart, reusable head and convenient refill features added in, Repel is much more environmentally friendly than hazardous aerosols.
