The hair perfume collection invites you to care for and delicately scent the hair in one sensuous beautifying gesture. Enjoy the uplifting power of long lasting scents as they subtly diffuse throughout the day, amplified by the natural movement of the hair. Each Hair Perfume combines one of BYREDO's signature scents with a unique silicone and polymer formula to create a light, invisible veil designed to leave the hair nourished and lustrous whilst divinely scented.

Gypsy Water is a glamorization of the Romany lifestyle, based on a fascination with the myth. The scent of fresh soil, deep forests and campfires evokes the dream of a free, colorful lifestyle close to nature.
