

The screenshot displays the checkout process on the StashedSF website. The top navigation bar includes the breadcrumb: Cart > Information > Shipping > Payment. The main content is divided into two columns. The left column contains the 'Contact information' and 'Shipping address' forms. The 'Contact information' section includes an email input field and a checkbox for 'Keep me up to date on news and exclusive offers'. The 'Shipping address' section includes fields for first and last name, company (optional), address, apartment/suite (optional), city, country/region (United States), state (Massachusetts), and ZIP code. A phone number field is also present. Below the address fields is a CAPTCHA with the text 'I'm not a robot' and a 'Return to cart' link. A 'Continue to shipping' button is located at the bottom right of the form area. The right column shows a product summary for 'Lee Stripe Sweater' priced at \$122.50. Below this is a 'Gift card' input field with an 'Apply' button. A summary table shows: Subtotal \$122.50, Shipping (calculated at next step), and Total USD \$122.50. At the bottom of the page, there are links for 'Refund policy', 'Privacy policy', and 'Terms of service'.
