OUR HISTORY

Luxury Products Group, LLC (LPG) was established in 2009 to meet the needs of our decorative plumbing and hardware member distributors and their showroom professionals.

LPG was created by the members of Omni Corporate Services Ltd., Inc., the premier buying group in the plumbing industry. LPG opens the avenue for members to network with like-minded people sharing ideas and challenges to expand their showroom business, as well as an opportunity to buy from and see products from a variety of showroom-oriented vendors worldwide.

LPG now resides as a vertical of the **IMARK Group**, a national marketing group providing a wide range of marketing resources and services to independent distributors globally. To learn more about **IMARK**, please visit imarkgroup.com
