## ABOUT LUXURY PRODUCTS GROUP

Luxury Products Group, LLC (LPG) was established in 2009 to meet the needs of our decorative plumbing and hardware member distributors and their showroom professionals.

The mission of LPG is to provide our members with a competitive advantage financially and professionally, with select products that define luxury in their marketplace, and to provide a solid partnership which is equally advantageous to our suppliers.

LPG opens the avenue for members to network with like-minded people sharing ideas and challenges to expand their showroom business, as well as an opportunity to buy from and see products from a variety of showroom-oriented vendors worldwide.

LPG may be a great fit for your company. We are looking for dedicated, inspirational, independent showrooms that believe in strength in partnership.
