## Black Elderberry Extra Strength Gummies

Providing extra support when you need it the most.\* With 770 mg of Elderberry juice and concentrate, 66% more than our Everyday Elderberry Gummies, these delicious gummies contain a powerful immune blend equivalent to 10 grams of fresh Elderberries per two gummies.\* These are certified organic, made with real fruit, and without any added flavors, colors, or refined sugars, for immune support people can feel good about.\*

- 2 gummies = 10 g of fresh Elderberries.
- Elderberries grown with care from farmers that have been cultivating these beautiful berries for generations.
- Made without gelatin, these are a great choice for vegans and vegetarians.

USDA Organic, Purity-Tested, Vegan, Dairy-Free, Gluten-Free, Soy-Free

Black Elderberry

Apple

## Black Elderberry

Primarily found in Europe and North America, Black Elderberries have long been used in traditional cultures to support immune function. Elderberry has an extensive history of being used during seasonal immune challenges. Regarded as an "Elder" plant in Native American Herbalism, Elderberry has been used collectively by many tribes as a tonic medicine and food to promote health and vitality. Elderberries have also been used as a food source for making wine, and syrup.
