# THE SCENE

*The Scene* is the first dedicated social media platform designed to enhance the users' social life, not just an online persona. Login to find a map of all the best bars, restaurants, public events, and private functions. See friends and photos posted to an event. YOU control the perfect night out. Create an event to easily send location, times, and relevant info to friend groups. Are you a business? Build a permanent pin to post your hours, specials, and track your locations popularity. With complete control of your social scene, the possibilities are limitless.
