For the ultimate in outdoor durability, Marking Services Inc. offers MS-215 MAX-TEK™ operations and safety signs designed to shield the printed legends between two layers of high-performance plastic. The sealed sign provides the maximum protection available against moisture, sunlight, and the effects of harsh chemicals.

- Highly visible printed legends will remain effective outdoors for years because of the UV protection inherent in the construction
- Stainless steel grommets in each corner are standard to ensure maximum life
- Standard background colors: White, Yellow, Blue, Red, Green and Black
- Available in alternative materials: self-adhesive or magnetic. Call for quote
- Custom Signs available. Call for quote
