ABOUT

Founded in 2001, Babygrande Records is one of the premier independent record labels operating today. With over ten years in the music business during the most volatile period in the history of recorded music, Babygrande has a unique perspective on the music industry. Babygrande has a catalog of over 3000 albums, music videos, and online content that include Hip-Hop, Indie-Rock, EDM, and everything in between. Babygrande has helped launch the careers of new artists and has nurtured the careers of seasoned veterans. As it heads towards its 15th Anniversary, Babygrande continues to focus on quality music and to work with artists whose work ethic, craftsmanship, talent and sounds are superior.
