

ARCANA Bottle

ARCANA

32 Oz

▲ **BPA Free**
Healthy for your body. Healthy for the planet. Reusable drink bottles save polluting the Earth with thousands of single plastic water bottles.

▲ **Stay Hydrated**
Convenient time markers remind you to drink your recommended water intake throughout the day. Use fill lines to track your water intake, drink to the marker every hour, refill at lunch and dinner. Half a gallon a day done!

▲ **Sacred Geometry Logo**
Our logo is the sacred geometry symbol for water in its purest form. Not only does it look pretty, the presence of this symbol is also believed to hold the ability to clear and reset the energy of your drinking water, restoring it to balance.

▲ **Drop Proof**
Our BPA free Tritan bottles won't leak when dropped. The look of glass with the lightweight convenience of environmentally friendly plastic.

▲ **Light, sleek and simple design**
Perfect for your everyday hydration.
