**Unfortunately, you're losing my support**

My Traeger with wifire worked flawlessly for months. Suddenly in February, the wifire can't pick up WiFi signal. Every phone, computer, iPad, and smart tv in this house has no [more](#)

**Terrible wifire performance, worthless tec...**

The short version is this: this has truly been one of the worst customer experiences of my life. I was very excited to get my new Traeger 575. I specifically chose this model beca [more](#)

**Does not work as advertised**

Terrible product and support. They don't stand behind the product. I bought the grill specifically for the WiFi feature and the grill does not work as advertised. The WiFi [more](#)
