- **[DEFROST QUICKLY AND NATURALLY]** This Defrosting tray allows you to defrost frozen food up to 3X faster than at room temperature. This tray will help you defrost Fish, Meat, poultry or anything else that's frozen. Thawing times will vary depending on the thickness of the Meat but on average it will take approximately 60 minutes.
- **[Healthy & Energy-saving]** It works without Warm water, microwave, chemical or electricity when using our defrosting trays. So the foods keep its original flavor and stay fresh. Simply place the rapid Defrost tray onto your kitchen counter and add your frozen food to the top of the Defroster tray and wait for several minutes for the magic happens.
- **[FAST THAWING]** Defrost frozen meat faster than other thawing tray saves your quality time. Quick test Place an ice cube onto the defrost tray and another onto a normal household plate and watch the ice cube on the Defrost Tray melts before. Smooth surface instead of drip tray easy to clean-up so you can enjoy more post-meal downtime.
- **[Non-Stick]** When meat and other foods thaw, moisture develops. Combined with the colder temperature of the food, it can cause the food to

### Product description

Color:**DEFROSTING TRAY**

By using this Defroster Tray no need to wonder how to defrost your food in minutes any longer. Rapid Defrosting Tray lets you thaw your frozen meat or food quickly and naturally. You do not need to microwave your frozen meat to defrost, When you place a piece of frozen meat on a defrosting tray, Heat from the tray is transferred to the food. The temperature of the food increases, while the temperature of the tray decreases. This super defrosting tray is made out of high quality thermal conductive material to speed up the thawing process dramatically. Meat thawing tray does not need either electricity or batteries It defrosts frozen goods naturally.

- **Save Time:** Defrost Frozen food 3x time faster as a regular plate! Use the Drip Tray to catch the blood/juices oozing out of frozen foods!
- **Generic Brands:** No toxic chemicals in the manufacturing of our defrosting trays Superior Quality Aluminium construction ensures healthy meals for you and your family
- **Save Money:** No need for the microwave, chemicals or battery needed ever again when it comes to defrosting food. Just simply place the frozen food on the defrosting tray. Recommends flipping the meat over a few times.
- **Easily Store:** This Defroster tray is a fairly slim and flat tool, so you can easily find a spot for it in your cabinet.
