

T_ruΣ=Dat

A Truth Machine in everyone's pocket

What is True Dat app?

Create, Buy, Sell and Collect verifiable digital photos.

Use True Dat app to create and share verifiable tamper-proof photos and videos and prove that they are not fake or photoshopped or deepfaked.

[Prevent fakes using True Dat app](#)

True Dat app lets anyone create and share verifiable and tamper-proof digital photos, videos and audio. Our Blockchain-powered marketplace allows anyone to buy, sell and collect them as digital collectibles. Every photo, video and audio created using True Dat app is a unique digitally signed collectible. Creators can ensure that only a limited number of collectibles can ever exist on the Blockchain.

Download our app and join our rapidly growing community of creators and collectors.

Detect fakes

Verify any video, photo or audio

Our media forensics platform uses AI, ML and computer vision techniques to detect tampering and identify fakes. Upload any video, photo or audio file.
