VERIFY TRUSTWORTHY PEOPLE — EASILY

Developing airtight identity verification and protection, without sacrificing user experience, is a fine balance. Our frictionless process is as easy as 1-2-3.

USE ANY DEVICE

All people need is a mobile device, a government-issued ID and a selfie.

VERIFY IN SECONDS

Our advanced machine- learning SaaS platform immediately determines if people are who they say they are.

ONBOARD WITH CONFIDENCE

Sign on new customers, partners and employees instantly while avoiding bad actors.

PROVIDE SAFER TRANSACTIONS FOR EVERYONE

ACCURATE

Attain nearly 100% accurate decisions. Verify that submitted identification is accurate, has not been tampered with, and is checked for liveness via selfie.

AUTOMATED

Build trust, reduce abandonment rates and increase sales. Unlike other solutions that rely upon time-intensive, inaccurate manual processes, AuthenticID delivers verification in mere seconds without the risk of human error.

ADAPTABLE

Tailor any verification process to enterprise-grade specified risk tolerances with our patented suite of technologies.

GAIN POWERFUL FRAUD-FIGHTING ALLIES

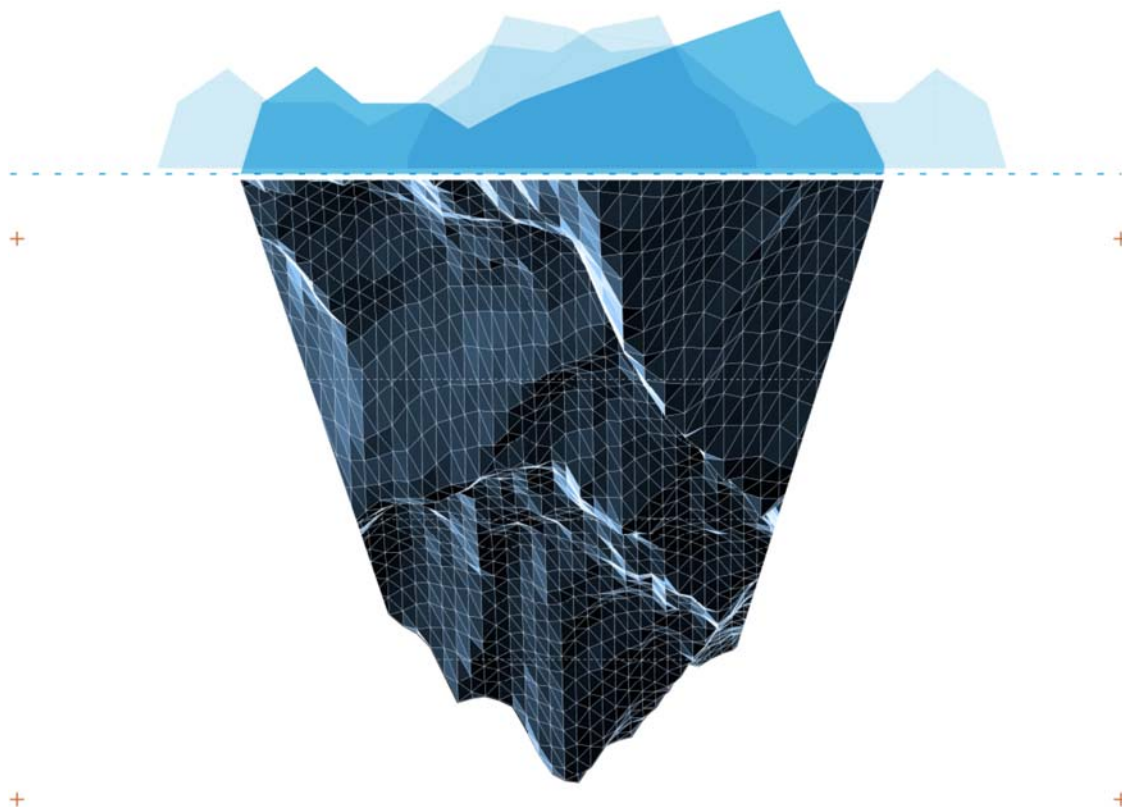

When you partner with AuthenticID, you'll be joining a who's-who of customers and partners with substantial influence:

- A majority of the world's leading identity verification, monitoring and protection companies
- A majority of the top U.S. telecommunications companies
- Major global banks
- The most significant credit bureaus
- A wide array of leading companies across industries

TAKE A DEEPER LOOK

Organized crime accounts for 90% of fraud and operates in the shadows. Due to the extreme toll we take upon crime syndicates, our organization operates under the radar as well.

If you want to know the truth about fraud and discover the many proprietary reasons why so many leading organizations choose us, [contact us](#) today.
