If there's one thing COVID taught us, it's that staying connected to one another has to be intentional.

Date Night In provides relationship and personal life coaching for couples and singles alike.

No matter what season of life you find yourself in, making time for those you love has to be a priority if your relationship is going to thrive. We're here to help you invest in those you care about.

A photograph of a young couple sitting together, smiling and holding hands. The woman is on the left, wearing a red sequined top and large hoop earrings. The man is on the right, wearing a patterned blazer over a red shirt. The background is a soft, out-of-focus indoor setting. A quote is overlaid in the center of the image.

**I remember God saying to me,
“Jamal, you’re so focused on getting
married, that you have no idea what
it takes to stay married.”**
