Works great with my new Pixel 3a

Reviewed in the United States on March 26, 2020 Length: 3 ft. Color: Black Verified Purchase

The Playa cable works great from larger outlet (USB) side to my new smaller port on Pixel3a. (Android) Selected the longer cable so it could go from wall outlet to desk. I like the mark on the C end that allows me to determine top from bottom. Would buy again. Seems to be a fast charge.

The wire is decently long, as advertised. Now, my phone charges very quickly and the battery doesn't drain as much. Overall, it is a good buy for a decent price!
