

REDCARPET RAPIDSTART ONBOARDING

RedCarpet RapidStart Onboarding quickly onboards employees where surge hiring or abbreviated onboarding experiences are required by the business to meet demand.

REDCARPET RAPIDSTART ONBOARDING

Rapidly onboard employees at scale across the enterprise

BUSINESS IMPACT

- **Security & Governance:** provision equipment and applicable licenses, facilitate policy acknowledgments to drive compliance and uphold security protocols
- **Agility:** deploy rapid onboarding at scale within hours
- **Talent Management:** facilitate job shadowing or on the job training
- **Continuity:** maintain business operations, productivity and output
- **Performance:** enable new hires to perform and contribute quickly

VALUE

RedCarpet RapidStart Onboarding speeds time to contribution for in-demand talent and skills where the business needs it most. This predetermined workflow ensures all necessary state and federal requirements are fulfilled prior to day one, enabling new hires to have a productive first day.
