Would highly recommend NextGen. They handled everything from start to finish and did a beautiful job on my roof. Took extra care to replace skylights to ensure they were installed properly. Everything looks great.

PAUL G | 8/12/2020

Very Professional and Helpful. Worked with the Insurance Company to ensure that all open items were taken care of. Professional work. Kept the area around the house very clean and nothing went into neighbors yards.

David M | 8/5/2020
