## OUR PRODUCTS

Triad's Bill Breaker accepts a large bill and breaks it into smaller denominations.

Why stop there? Triad has now added coin to their Bill Breakers. You can now make it easy to get the proper change in your customers hands. Use this link to know more..

Pre-program your unit to dispense exactly what combinations of currency, coin and/or tokens you want to be dispensed. It is completely flexible! View our product line with the help of [our site...](#)
