sales channels.
Ensure inventory
levels are always
accurate and stop
overselling.

Magento

CENTRALIZE OPERATIONS

Use our Magento 1
and Magento 2
connectors to
centralize your
operations for better
order and inventory
management.
Improve your
customer experience
so you can overcome
your competition.

NetSuite

**MULTICHANNEL ORDER
MANAGEMENT**

Use our NetSuite
connector to
integrate your ERP
with your sales
channels. Automate
order processing so
you can fulfill orders
quicker and always
deliver on time.

Shopify &
Shopify Plus

SELL MORE ON SHOPIFY

Use our Shopify and
Shopify Plus
connector to
integrate your
webstore with your
fulfillment systems.
Eliminate the need
for manual data
entry so you can

Lightspeed

**TRUE MULTICHANNEL
RETAIL**

Use our Lightspeed
connector to sync
your POS and
eCommerce
channels enabling
you to offer buy
online, pick up in
store. Bridge the gap
between offline and
online selling.

Generating reports no longer takes hours, but minutes. nChannel provides our team with ready access to the data we need to better react to events happening with our customers.

nChannel has made our staff 10x more productive. Instead of dedicating three staffers to mundane tasks, we can now focus their time and skills on getting more products sold & shipped.
