THRIVE IN STYLE

Vogmask is a superior product for now and the future, rendered modern to awaken public hope, to express the public self, and to emerge from the trance of accepting an inherited future.

Our vision is simple: make the most beautiful, highest efficiency, most comfortable and best manufactured reusable consumer masks on the market.

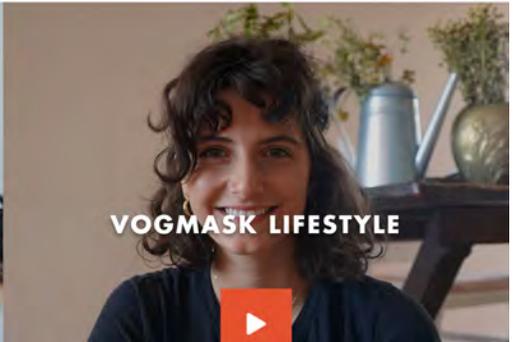

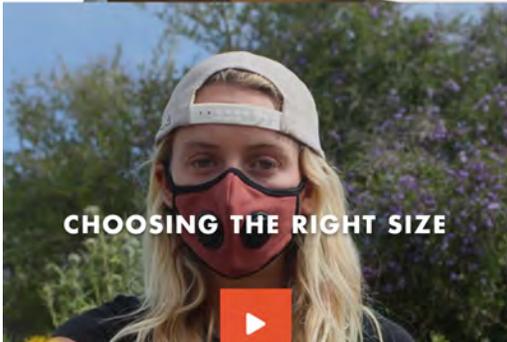

GET THE WHOLE STORY

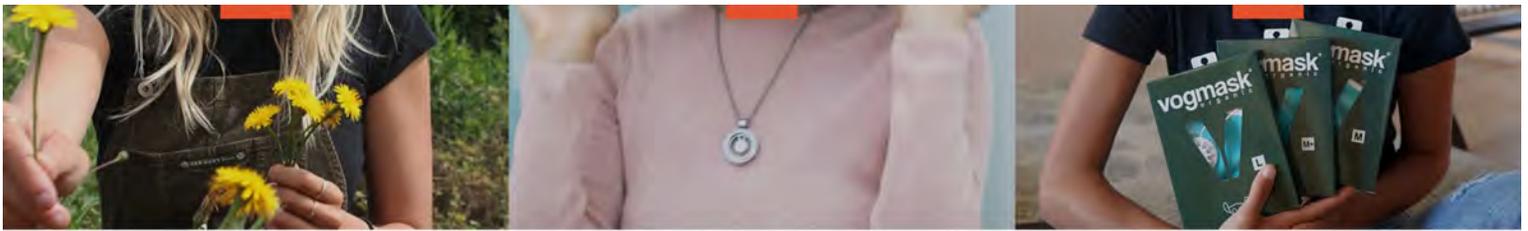

THE VOGMASK TEAM

Our company's mission is to continuously innovate to provide important tools for protecting respiratory health, while raising the conversation about cleaning the air.
