Why Do You Need it?

Variety Insight tracks all phases and stages of the entertainment industry.

Being Popular at Work Has Never Been Easier

Variety Insight is the research tool that benefits your entire organization.

You're in Good Company

Variety Insight is the original digital media data partner to the entertainment industry. The most trusted data source since 1999, it serves over 650 leading entertainment companies, technology providers, and brands.

We Play Well with Others

Variety Insight's data is the best in the business, but we also have partnered with numerous work flow solutions that allows our users to import Variety Insight data into other applications.

Salesforce is the world's number one CRM solution. Available for integration via [API](#).

Variety Insight is the only data platform that is an official partner of The Black List ensuring its projects and writers are accurately represented in our system and easily searchable.

The Black List, an annual survey of Hollywood executives' favorite unproduced screenplays, was founded in 2005. Since then, more than 400 Black List scripts have been produced, grossing over \$26 billion in box office worldwide. Black List movies have won 53 Academy Awards from 262 nominations, including 4 of the last 10 Best Picture Oscars and 10 of the last 22 Best Screenplay Oscars.
