DESCRIPTION

The CHOICE™ PTT/mic has a 3.5 audio port and will work with most earpieces including all N2W Receive Only earpieces. Have different audio requirements for different people and jobs? The Choice PTT/mic. is perfect for this application. The Choice PTT/mic has a side PTT and a premium direction mic on the top and has a "Braided Fiber Cloth" cord going to your radio. The Choice PTT/Mic also has the ability to use a second PTT that is a Bluetooth Wireless PTT ([Sold Separately](#)). This is perfect for using the Wireless PTT on a steering wheel, handlebars, vest molly's, beltloop, guns or anywhere else you that is useful.

- **Premium Microphone**
- **Side PTT & Wireless PTT (Up to 3 year battery life)**
- **Replaceable Coin Battery (CR 2032)**
- **Wireless PTT 2.4 GHz BLE**
- **Braided Fiber Cloth Line 90lb Pull-Strength**
- **Connectors for All Radios**
