What We Do | Mill Creek Residential develops, builds, acquires and operates high-quality apartment communities in desirable locations, coast to coast.

BUILD DEVELOP ACQUIRE MANAGE

Our Management Philosophy

At Mill Creek, our mission is to create meaningful relationships and extraordinary places. We invite you to meet our friendly and helpful community teams that have the dedication and expertise to help you get the apartment home you want and to make sure that you're happy long after you move in. The key to our next-level service is our attention to detail and the unexpected ways we delight our residents. Our commitment to each community transforms your apartment into an apartment home.

Over 20,000 homes under management.

450+ property operations associates and growing.
