Doublicat is now REFACE 🎉 We swapped our name, now you can get to swapping faces.

REFACE is the #1 face swap app  
Let's cut to the chase—REFACE is the most advanced, top-rated, fun, and bizarre deepfake and face swapping app. Ever. Our futuristic AI has been featured in Forbes, Mashable, TNW, and Digital Trends. Combined with a daily-updated wealth of source videos, gifs, photos, and pictures, you can make ridiculously realistic face swap videos and gifs with just a single selfie. REFACE will absolutely floor you as you morph your face, switch it with celebrities, and become a new person in popular TV and movie clips. Be a wizard, a pop star, or a president. Become a celebrity look alike by swapping your face with trending movie and TV clips, or have fun and replace your face with memes using our face editor and face morphing deepfake technology, as REFACE is also the best meme maker in the world.

Wait, what is deepfake?  
Deepfake technology is more than just face swapping. With REFACE's unique deepfake AI, your selfie is mapped onto another face in the most eerily realistic way you've ever seen, with convincing facial expressions and movements that truly look like you. Using our custom-made RefaceAI, you can see what it's like to have your face in starring roles, famous videos, and more. How do we do it? If we told you, we'd have to kill you, but know that the results are absolutely astonishing.

"If you want to show your friends and family some sincerely cursed GIFs, consider giving this a try. We're not responsible if they dissociate from you." - Mashable

Deepfake yourself  
Ruin reality. Freak out friends. Mess with mates. Paste your face onto your favorite superhero, TV star, celebrity, or meme gif, and share it on social media or with friends as a video, photo, or gif. Change your gender, morph faces, and perform advanced deep fake face merges with our state of the art AI-powered face changer, then share your creation with the world and blow their minds.

Here's what you can do with REFACE:

- Swap your face to celebrities or movie characters with deepfake technology.
- Play with live face swaps, gender swaps.
- Be amazed by the deep fake maker and face changer.
- Share your awesome face swapped clip or funny meme as a gif or video to messengers and social media.

I like to fool around with pictures and videos, so I am always checking to see whats available. Came across REFACE, and I was blown away. I have the free version, one thing that would be awesome is to load our own pic or clip. I know its a premium option, just saying. I'm having a ball with it, than...
