## Avoid the graveyard of dismissed applicants.

### **When is the last time your resume had a facelift?**

You've got 6 - 10 seconds to catch a recruiter's attention. Are you getting your point across or even making it past the Applicant Tracking System (ATS)? Your resume may be holding you back.

## You know **you're great**, now make them **believe it**.

You're a hot commodity, but you may not always come across that way. Interviewing isn't easy, but, with a little guidance, you'll get there!

**Let's chat about how to answer the tough questions.** #wordsmith
