

Form 16SF and 1107SF Reporting

Coming November 2020: The Unified Counterparty Experience System® (UCountSM) will replace Form 16SF, Annual Eligibility Certification Report and Form 1107SF, Seller/Service Change Notification Form. With UCount, you'll get greater transparency and a simpler process. To learn more, review the [FAQs](#) and Guide [Bulletin 2020-33](#).

Current Reporting Requirements

As an approved Freddie Mac Seller/Service, each year your organization must submit the *Annual Eligibility Certification Report* (Form 16SF). When there are institutional changes to your organization that haven't already been reported on Form 16SF, then you also need to submit the *Seller/Service Change Notification Form* (Form 1107SF).

There are two options to gain access to these forms:

1. Freddie Mac Access Manager – Our self-service platform for accessing and using Freddie Mac tools and applications enables you to manage your own access credentials.
 - If you don't have access to Access Manager, you can learn more and sign up by visiting the Access Manager web page [here](#) and clicking the "Get Started" button.
 - Questions? Call the Freddie Mac Customer Contact Support Center (800-FREDDIE).
2. To receive a user ID and temporary password via email, register on the Annual Eligibility Website [here](#).
 - Once you've received your user ID and password, you can log in to:
 - [Form 16SF](#) (Note: The *Annual Eligibility Certification Report* is required, as defined by Guide Section 2101.10.)
 - [Form 1107SF](#) (Note: To report institutional changes, the *Seller/Service Change Notification Form* is required, as defined by Guide Sections 2101.12-2101.14.)

Please note: If you are logging into Access Manager for the first time, you will need to change your password.
