PLASTIC SURGERY THE MEETING IS GOING VIRTUAL FOR 2020
COVID-19 MEMBER RESOURCES

PSN Extra
 PSN Extra offers the latest news from the plastic surgery world, along with popular articles from our Plastic Surgery News publication.

Plastic Surgery Resident
 Plastic Surgery Resident is a quarterly publication created by the editors of Plastic Surgery News and Young Plastic Surgeons Perspective specifically to meet the needs of plastic surgery residents.

Breast Reconstruction
 Breast Reconstruction - a special supplement to Plastic Surgery News - sheds light on common misconceptions of breast cancer and provides stories of hope, courage and innovation from the patients' and physicians' perspective.

Publications

Plastic Surgery Resident

Plastic Surgery Resident is a quarterly publication created by the editors of *Plastic Surgery News* and *Young Plastic Surgeons Perspective* specifically to meet the needs of plastic surgery residents. The magazine offers career tips, recommended journal articles, CPT coding information and practice management topics that aren't often included in a plastic surgery training program.
