GTX

GT-X COMPOSITE SEAT (FRP) (CUSTOM)

\$799.00

Starting at \$75/mo with **affirm** Learn more

- Our favorite GTX seat, now with all new modern styling!
- Customizable with over 60 different color and fabric options
- Unique angled containment allows the seat to fit in smaller vehicles, while still fitting drivers up to waist size 36"
- Vacuum infused FRP composite shell
- Side mounts required to install
- Sold individually

Custom built and shipped in about 4 weeks.
