Product Overview

Beautify any space while enhancing sound quality and dampening unwanted noise with theatre-grade acoustical wall covering. Four 54 in. x 8 yds. Rolls provide enough material for a 12 ft. x 12 ft. room with 7 ft. ceilings. Make over a room in an afternoon with this attractive sound-enhancing material. Each 54 in. x 8 yds. Roll features the "perfect cut" system for fast and easy hanging using heavy wall covering adhesive. The only installation tools needed are a measuring tape, chalk line, utility knife (with a supply of sharp blades) and a contractor square. The material is highly durable and easily maintained by vacuuming or sweeping. Spots or stains can be removed with mild detergent. QuietWall is ideal for home offices, playrooms, finished basements and home theaters. The durable yet soft to the touch wall covering are made from Eco-fi, a 100% PET fiber made from recycled plastic drinking bottles. QuietWall is available in 14 designer-choice colorfast colors, allowing many years of
