This is the World-64 Jungle version of the EverDrive64 X7. This comes with the PCB installed into a region free transparent green cartridge shell with a World-64 label and held together with black aluminum screws.

Ever dream of having your whole library of Nintendo 64 games in a single cartridge? The EverDrive64 X7 allows you to load your game back-ups (commonly known as ROMs) on a microSD card, put the SD card into the EverDrive64 X7, put the EverDrive64 X7 into a Nintendo 64 and have your list of games at your finger tips. Please read the [FLASH CART DISCLAIMER](#) below before purchasing.

### FLASH CART DISCLAIMER

**A) PIRACY** – Stone Age Gamer Retroworks, Inc. ("Stone Age Gamer") does not support or condone piracy. Flash carts and similar devices Stone Age Gamer sell

do so. Stone Age Gamer does not offer support for any other use of this product.

**B) PERSONAL BACK-UPS** - In many territories it is legal to make back-ups for personal use and/or archival purposes, however it may not be legal in all territories. Please learn the national and local laws regarding this subject before making back-ups for personal use. Please note, in most territories "Personal Back-up" means exactly that; back-ups you made yourself of games you currently own. This often does not include back-ups obtained via other methods (i.e. downloading), even if it is a game you physically own.

**C) DAMAGE** - Neither Stone Age Gamer or the manufacturer is responsible for any damage of property this product may cause. This is a new product intended to be used on electronic hardware that exceeds two decades in age and Stone Age Gamer can't guarantee the condition of such hardware. **USE AT YOUR OWN RISK.**

**D) MODIFICATION & USE** - Any unauthorized modification and/or non-intended use of this or any other flash cart product sold by Stone Age Gamer shall void both manufacturer and retailer warranties of that product.

**E) CLONE / MODIFIED CONSOLES** - Flash carts were developed and intended to be used on un-modified original hardware using original hardware accessories. Stone Age Gamer does not guarantee flash cart operation on clone consoles or modified consoles. Flash carts may operate on some clone consoles or modified consoles. However, due to power consumption changes, random hardware changes and/or firmware updates of those consoles we cannot offer a guarantee of flash cart compatibility. Any returns due to incompatibility with clone consoles or modified consoles will result in no refund of any shipping costs and a 10% restocking fee if no defect is found during testing.
