What it is

Everything you need to be date night ready.

How to use

- Step 1: Prep that gorgeous face. Apply Pretty sure I'm gorgeous and leave on for 10 minutes before rinsing.
- Step 2: Use your cute towel to pat dry after rinsing your mask off. She was there for a good time, not a long time.
- Step 3: Apply Swipe right on desired areas for an illuminating, dewy glow.
- Step 4: Spray Swaps the second base all over and watch the aphrodisiac ingredients work their magic.
- Step 5: Enjoy your date! You have great taste, "wink"

How much to use

Apply an even layer of mask to your face. Swipe right should be applied lightly to give your skin a fresh highlight. Spritz Swaps the second base generously.

Scent

Smells like second base is a mix of sweet vanilla and a musky Champaca

Claims

Paraben free, phthalates free, cruelty free.
