See all your company apps in one place

Easily browse your company apps

Okta Mobile provides single sign-on to applications on your Android device. As a companion application to the Okta Identity Management Service, Okta Mobile lets you simply sign in with your Okta credentials and enjoy immediate access to all of your company's applications.

If your company has enabled Okta Mobility Management (OMM) and you launch Okta Mobile, we prompt you to secure your device by enrolling in OMM. Enrollment is simple and intuitive, and during
