Nowhere Else

I am very disappointed in the Lighthousecatholicmedia because I am trying to view the Presence: The Mystery of the Eucharist. There is no information given about how to view this at 6PM MT. I signed up for this but received no further instructions. An email should be sent out with all the necessary information on the date, time, and how to connect to view this presentation. I did not even know it was to be May 2, at 6 PM MT. I just luckily found it by the grace of God on the correct day and 45 minutes before the presentation starts. Still not sure I will be able to view it.

More thought needs to be put into informing the public of the how to view and when to view. Also would hope this would be left on Formed permanently for those that don't check in every day or even every week, or month.

The introductory session was good, however Dr. Tim Gray needed a better microphone system. He sounded like he was talking from another room compared to the volume of the three being interviewed.
