The Lawyerist Podcast

The Lawyerist Podcast is a show about the future of lawyering and law practice hosted by Laura Briggs, [Aaron Street](#), and [Stephanie Everett](#). Every week we feature conversations with successful lawyers, innovative thought leaders, and other creative people helping to shape the future of legal practice.

You'll find business and leadership author interviews, strategy and coaching calls with Lawyerist Lab members, and discussions about the trends and tactics pushing the legal industry forward.

The Lawyerist Podcast is regularly recognized as one of the top legal podcasts.

What I love most about the podcast is that it approaches the profession of being a lawyer from the entrepreneurial business side which is so lacking in most firms (small and large).
