Business Email Features

Abundant Storage

5 GB Email Storage, State of the art shared storage with 99.999% uptime Architecture ensures that your data is safe & available. No more worrying about running out of storage space. You can now increase storage for individual accounts by buying additional storage blocks of 5 GB.

Sidebar Widget

A sidebar for your email client that shows upcoming events for your calendar. Get live news, updates and RSS feeds directly into your inbox.

Go Mobile

Powered by Roundcube your email client includes a mobile version, designed to work on the go without the need to install a new app.

LogicBoxes Advantage

Enhanced
Upgrade your roundcube with the latest productivity tools and get the most out of your webmail

Integrate
Dropbox, Google Drive, iCal, news feeds—these are just a few services you can add to your roundcube setup

Mobile UI
Plugins also include a mobile version, designed to work on the go without the need to install a new app

Regular Updates
Plugins are kept up-to-date, always compatible with the ever changing Roundcube webmail client

Fully Supported
Making sure everything is working properly is paramount, that is why we provide fast professional support for every customer
